

GLENN RIZNER
Vice President, Operations
Helicopter Association International

Glenn Rizner has been Vice President of Operations for Helicopter Association International for the past 7 years in which he oversees the Safety & Flight Operations, Heliports & Technical Programs, Legislative Affairs and Regulatory Affairs. He also serves on the Aero Club of Washington's Board of Governors.

Glenn has over 25 years of aviation experience, from owner of a flight school to Capital Hill. He holds a ATP airplane and Commercial Rotorcraft certificate and has in excess of 6500 hours. In his "free" time, he enjoys being an airport "BUM" and flying his Cessna 170B.
